## 600B NEW MASONRY BRICK WASH DETERGENT PRODUCT SPECIFICATIONS

### PRODUCT NAME

600B New Masonry Brick Wash  
Detergent

### MANUFACTURER

American Building Restoration  
Products, Inc.  
9720 South 60th Street  
Franklin, WI 53132  
U.S.A.  
(414) 421-4125  
1-800-346-7532 (Orders Only)  
Fax (414) 421-8696

### PRODUCT DESCRIPTION

**Basic Use:** 600B is an economical cleaner for new masonry installations. It is designed to remove excess grout and clean the mortar splatter and staining which occur in new construction. Recommended for use on light colored buff, tan, pinks, glazed brick, tile, stone, exposed aggregate - ideal for all types of masonry construction. 600B contains metal inhibitors to control metallic staining. 600B will not yellow or bleach natural or colored mortar joints, when used in accordance with directions.

**Limitations:** allowing smears and excess mortar or grout to remain on the surface for a long period of time will result in a more difficult cleaning job which may produce undesirable results.

**Precautions:** read the entire Material Safety Data Sheet for a more thorough evaluation of hazards.

Protect all surrounding non-masonry surfaces when using 600B. Protect vegetation by covering with tarpaulin, Safety lines and scaffolding must be equipped with steel or acid resistant synthetic ropes. Protect newly painted and aluminum surfaces. Beware of wind drift onto auto and / or pedestrians.

### TECHNICAL DATA

**Color/Form:** amber liquid.

**Coverage:** approx. 400 sq. ft. per gallon at recommended 4 parts water to 1 part **600B**.

**Packaging:** one, five and fifty-five gallon containers.

### INSTALLATION

**Preparatory Work:** a test area should be processed on each type of surface before beginning overall cleaning to determine precise procedures necessary. Test recommended strength on small area of building. Allow test areas to dry thoroughly (3-7 days) before determining results. **Adjust strength based on tests.** User shall determine the suitability of the product for its intended use and assumes all risk and liability whatsoever in connection therewith.

**Note:** cleaning within 2 to 4 weeks of new masonry installation is most effective.

### Application:

1. Apply with **ABRP Applicator Brush, Poly Tank Hand Pump Sprayer or Lift N' Spray Model™ 04.**

2. Dilute 4 -12 parts water to one part 600B. Use polyethylene or rubber bucket.
3. Pre-wet a large portion of the masonry surface to be cleaned. When working from staging, keep all lower areas "surface wet" to prevent runoff streaks. Also keep surface rinsed free of cleaning residue.
4. Allow 600B to remain on the surface for 2 to 3 minutes. Do not allow 600B to dry into masonry which may cause staining. Scrape off excess mortar and reapply **600B**.
5. Rinse thoroughly with fresh water, brushing the area as the rinse water is applied. For best results use a high pressure water rinse at 400 psi with 4 gallons per minute.

### AVAILABILITY

Available through a network of distributors, dealers and representatives established in principal cities across the United States, Canada and Japan.

**Notice:** the information and recommendations made herein are based on **ABRP, Inc.**, research and the research of others and are believed to be accurate. However, no guarantee of their accuracy is made because **ABRP, Inc.**, cannot anticipate every possible application of **ABRP, Inc.**, products, nor anticipate every variation encountered in project

surfaces, job, conditions and methods used. For this reason, purchasers shall make their own tests to determine the suitability of such products for a particular purpose. Purchasers assume all risk of use, application and handling of products. Statements concerning the possible use of **ABRP, Inc.**, products are not intended as recommendation to use **ABRP, Inc.**, products in the infringement of any patent.

#### **LIMITED WARRANTY**

This warranty is valid for one year from the date of purchase. The purchaser of this product shall be entitled to the following, if the product herein is shown to be defective: **ABRP, Inc.**, at its option, will either replace the product or refund the purchase price. Contact **ABRP, Inc.**, to make claim under this warranty. The purchaser must have proof of purchase from label and original sales receipt. Proper surface preparation is essential to the applicability of this warranty. Read

and follow label directions.

**ABRP, Inc.**, shall not be liable for incidental, consequential or indirect damage arising from the use of this product or the cost of labor involved in its application.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

No other warranties are made, expressed or implied, including without limitation warranties as to MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This limited warranty may not be modified or extended by manufacturer's representatives, distributors or dealers of **ABRP, Inc.**, products.

Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply

to the purchaser. This warranty gives the purchaser specific legal rights, as well as other rights which may vary from state to state.
