PRODUCT DESCRIPTION

ABR[®] Citrus Graffiti Remover Gel is a citric solvent blend designed to dissolve graffiti and vandalistic stains such as spray paint, silicone, dyes, marker pens and more from painted and non-painted surfaces. ABR[®] Citrus Graffiti Remover Gel is designed to remove initial graffiti, including surfaces that are not coated with the ABR[®] Graffiti Barrier System.

Note: Before beginning overall project, a test panel should always be made on all elevations to conclude satisfactory performance and dwell times. The user shall determine the suitability of the product for the intended use and assumes all risk and liability whatsoever in connection therewith.

Precautions: Read the entire material safety data sheet and product label for a more thorough evaluation of hazards.

Fully protect all adjacent surfaces including floors and general work areas. Protect vegetation, plants and adjacent surfaces from coming in contact with ABR[®] Citrus Graffiti Remover Gel. Beware of wind drift onto adjacent surfaces and pedestrians while applying and rinsing ABR[®]

Citrus Graffiti Remover Gel. Barricade work areas to prevent pedestrian contact.

Note: Product efficiency is slower in cooler temperatures.

TECHNICAL DATA

Color/Form: clear gel

Coverage: 150 to 250 square feet per gallon, depending on the number of layers of paint to be removed.

Packaging: one, five and fifty-five gallon containers

INSTALLATION

Application:

APPLICATION FOR NON-PAINTED SURFACES:

1. Apply ABR[®] Citrus Graffiti Remover Gel with a natural bristle brush or an airless paint sprayer.
2. Allow ABR[®] Citrus Graffiti Remover Gel to remain on the surface until all graffiti is dissolved. One (1) to five (5) minutes dwell time may be required. Heavy, multiple or existing accumulations of graffiti may require a longer dwell time.
3. For best results, remove the ABR[®] Citrus Graffiti Remover Gel with a high pressure water rinse.

APPLICATION FOR PAINTED SURFACES, OR SURFACES PROTECTED WITH ABR[®] GRAFFITI BARRIER...

1. Apply ABR[®] Citrus Graffiti Remover Gel to the surface with a stiff bristle brush.
2. Apply the product in a circular motion for ten (10) seconds to an area of twelve (12) linear inches. Avoid over-saturation of the surface.
3. As the graffiti begins to loosen from the surface, immediately rinse the

surface with a water dampened sponge to stop the action of the remover and to avoid removing the ABR[®] Graffiti Barrier or defacing the underlying surface. Do **NOT** use a high pressure water rinse.

AVAILABILITY

Available through a network of distributors, dealers and representatives established in principal cities across the United States, Canada and Japan.

NOTICE: the information and recommendations made herein are based on ABRP, Inc., research and the research of others, and are believed to be accurate. However, no guarantee of their accuracy is made because ABRP, Inc., cannot anticipate every possible application of ABRP, Inc., products, nor anticipate every variation encountered in project surfaces, job conditions, and methods used. For this reason, purchasers shall make their own tests to determine the suitability of such products for a particular purpose. Purchasers assume all risk of use, application and handling of products.
