23 Golden Honey (Transparent Color)

*27 Pickle White (Semi-Transparent Color)

33 Terra Cotta (Semi-Transparent Color)

25 Historic Green (Semi-Transparent Color)

Stain colors will vary in appearance based on the species of wood, the texture of the wood surface, the porosity of the wood, and the quantity of stain applied. It is recommended that a small test area be applied and allowed to dry to ensure your color satisfaction before beginning the entire surface. When applying more than one gallon of the same color of X-100 Natural Seal® stain product, intermix all gallons into a separate container to ensure uniformity of color.

22 Dune Gray (Semi-Solid Color)

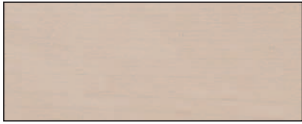

18 Cape Cod Gray (Semi-Solid Color)

26 Barn Red (Semi-Solid Color)

*28 Classical White (Semi-Solid Color)

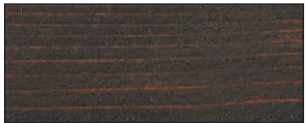

16 Sandy Beach (Semi-Solid Color)
